Primary Purpose & Intent of Competition:

The primary objective of the Golden Bear Open (GBO) & Golden Bear Challenge (GBC) is to provide a high-quality competition for USports athletes. All decisions about scheduling and seeding are made with that interest in mind.

Both the GBO & GBC are open to the public to enter, and provide enhanced competitive opportunities for interested athletes.

If entry lists become too large to maintain a desirable schedule for top USports athletes, then slower seeded club athletes will be moved to remaining sections not during peak USports time.
