Primary Purpose & Intent of Competition:

The primary objective of the Golden Bear Open (GBO) & Pandas Open (PO) is to provide a high-quality competition for USports athletes. All decisions about scheduling and seeding are made with that interest in mind.

Both the GBO & PO are open to the public to enter, and provide enhanced competitive opportunities for interested athletes. If entry lists become too large to maintain a desirable schedule for top USports athletes, then slower seeded club athletes will be moved to remaining sections not during peak USports time.

All varsity events are governed by Canada West Playing Regulations

All Bantam/Midget/Youth/Junior events are governed by IAAF rules
