## General Rules

- ▶ Marshalling procedures are in effect. Marshalling takes place at track level, against the bleachers not pulled out (**Call Room/Warm-up area**). **Athletes who do not present themselves in the Marshalling Area as required will not be eligible to compete in that race.**
- ▶ All track event athletes are required to check in at the Check-In Desk at least **15 minutes prior** to the scheduled event start time. When checking in, please have your number on and your spikes available to verify spike length. Athletes will be required to remain there until a starters assistant leads them to their start line.
- ▶ Field event athletes will marshal at the event competition area, and are requested to be at the competition area **30 minutes** before the scheduled start time of the event.
- ▶ **Restricted access to field for Coaches** (with **approved identification**), athletes, Officials, and volunteers only.
  - We have set-up clearly identified designated seating areas for coaches only, adjacent to the field competition venues -- we require that coaches confine themselves to those areas while an event is taking place.
  - **Spectators** are not to be permitted on track level.
  - As noted previously, coaches who have met the requirements set forth by Athletics Alberta will have their accreditation valid for both AIG and Provincial Indoor Championships. Accreditation is available either in the team packages or the Volunteer desk (if you're not with a club). If you did not meet the requirements you will be confined to concourse and bleacher seating for the duration of the meet.
- ▶ Athletes competing in heats who do not intend to compete in the final must inform the Results Desk before the heats. Such athletes will be marked as exhibition, thus allowing someone else to advance to the final. Otherwise, IAAF Rule 142.4 will be applied (i.e.: the athlete may be disqualified from participating in the rest of the meet).
- ▶ For individual events and combined events, athletes must compete in their own age class at Provincial Championships. For relays, athletes are allowed to compete in an older age class to make complete teams that will be eligible for provincial medals. (Those athletes who compete in an older age class for relays must compete in their original age class for individual and combined events competition at this meet.)
- ▶ Starting blocks are mandatory for all athletes Midgets and up. Starting blocks are optional for Masters. Starting blocks will not be used for Tyke, Pee Wee, nor Bantam events.

#### **Modified Rules for Tyke & Pee Wee Long Jump**

Tyke & Pee Wee athletes will have a 1m take-off area and the officials will judge the take-off spot accordingly and measure. For the competition, all jumpers will have 3 attempts.

#### **Modified Rules for Pee Wee & Bantam High Jump**

Three successive failures will eliminate the jumper from further competition.

**Pee Wee:** Starting height of 0.70m, increments of 10cm until a height of 1.00m, increments of 5cm thereafter.

**Bantam:** Starting height of 0.90m, increments of 10cm until a height of 1.20m, increments of 5cm thereafter.

#### **Modified Rules for Tyke, Pee Wee & Bantam Throws**

Each competitor will only receive 3 attempts for all throwing events
