### GENERAL NOTES

- As most people may not have competed by the commencement of the Series, we encourage people to use their best estimates for meet 1. Meet 2 and 3 will require accurate seed performances that are confirmed in the rankings.
- U16's are not permitted to enter open field events.
- We will be using the NCAA altitude conversions for the distance times conversion.
- We will make every effort to switch directions to get a positive wind for the sprints. Decision will be made 1 hour before by the meet management.
- Three jump maximum for horizontal jumps and throws, unless there is time permitting. If time permits, the top 4 male and female jumpers and throwers will be awarded an additional 3 attempts.
- \$50 cash prizes will be awarded for breaking existing open records under legal conditions (new events will not be considered). Additional \$50 for breaking a senior provincial record!
- All prize money will be e-transferred to the individual athletes.
- Check-in Procedure: All track athletes must check-in at the starting line. There will be no additions made at the start line. No exceptions!
- Field events competitors must check in at the event.
- U18 / U20 / masters athletes may be accommodated for hurdle and barrier heights and for throwing implements. These events will not be scored.
