

Thank you for considering me for President of Athletics Alberta. I have served on the Board for 5 years, 3 as Director at Large and 2 as Vice President Personnel. Immediately prior to joining the Athletics Alberta Board I served 3 years on the Board of the Edmonton Harriers.

I have a long history with our sport and have served in just about every role imaginable. Athlete, Coach, Club Administrator, Provincial and University Team Manager, Meet Director, Parent of athletes, Club Board member, Official, Provincial Board Member and general volunteer. Many of you know me as "the announcer guy", a role I enjoy filling at many meets every year.

Stuart York
